Increase your organization’s visibility and prestige by sponsoring HRC's 21st Annual Housing Rights Summit!

The Housing Rights Center, the nation’s largest non-profit fair housing agency, will be hosting the 21st Annual Housing Rights Summit: "Breaking Grounds: New Laws in the Fight to Protect Housing" on Wednesday, April 22, 2020 at the California Endowment in Los Angeles, California. Our annual fair housing conference is one of the most dynamic and impactful civil-rights conferences in Southern California. The goal is to provide a space for folks to learn from each other and learn how to build tactics to better address housing issues. Our summit will be a day full of exciting panels and discussions where we will have an artistic performance to help us introduce our Fair Housing Justice Award recipient.

Last year, nearly 80% of the Summit's operating budget came from the generosity of individuals, organizations, law firms, and lending institutions that share a commitment to social justice.

Looking for opportunities to support your community and your company? Help us make this year's Summit a success! Be a sponsor!
